Don and Vivian Ferguson – Greenfields – May 2018

I have searched for years (I am a senior citizen) for the absolutely perfect salami. Mild salami . . . well-made and crafted salami. When younger of course I loved the spicy hot ones but now they are a little too spicy. I had to contact you, because I found the above salami at the Mandurah Spudshed about 6 weeks ago. I looked at and knew at first sight this WAS IT!!!! And I have bought one every week since. My friends . . . it is simply sensational, the very best I have tasted and world class. Thank you. I will continue to buy your product as long as I can find it.
